

# District 56 Report

## Alignment Committee Division, Area and Club Recommendations July 1, 2020 through June 30, 2021

Prepared by Harold Eaton, DTM  
Alignment Committee Chair

Version 1  
3/6/2020

## The Alignment Committee

### Mission

The Alignment Committee’s mission is to review the current placement of all Toastmaster District 56 clubs within division and area boundaries. It is the committee’s objective to try and “even out” the areas and divisions within District 56 for administrative/oversight purposes in the upcoming Toastmasters year beginning July 1, 2020. A report summarizing the results of this review will be presented at the District 56 Spring Conference Business Meeting for approval by the entire district. Adjustments reflecting club status changes will be incorporated into the report prior to June 30, 2020 and final submission to Toastmasters International. I would like to thank all of those that supported this effort:

## Committee Goals

To follow the Toastmasters International World Headquarters guidelines as summarized below:

- ✓ Geographically align clubs within areas and divisions
  - ✓ Plan for possible growth and anticipated loss
  - ✓ Optimize the equitable distribution of active clubs between areas and divisions
- 
- ✓ Each division must have a minimum of three (3) areas
  - ✓ Each area must have a minimum of four (4) clubs and no more than six (6) clubs

**District 56 Alignment Committee Overview**

**Divisions**

- ✓ There are seven (7) divisions within District 56 – labeled alphabetically from ‘L’ to ‘R’. The Committee recommends keeping the number of divisions within the district at seven (7).
- ✓ The committee recommends modifying Division L, O & P boundaries to absorb clubs and space from the old Q53 area.

**Areas**

The committee recommends adding 3 new areas (L45, O15, R65) and remove old Q53. The total number of areas in District 56 will change from 39 to 41. The committee also recommends appropriate area boundary changes due to the geographic balancing of clubs and areas based on growth and attrition.

**Clubs**

Summarized below is the District 56 Paid Club Base and current status, as of 2/29/2020:

District 56 Performance, final as of 2/29/2020

<b>Total Paid Clubs as of 2/29/2020</b>	<b>199</b>
Ineligible Clubs	<b>+6</b>
Low Clubs	<b>+1</b>
<b>Total Active Clubs</b>	<b>206</b>
<b>Suspended Clubs</b>	<b>+7</b>
<b>Total Clubs listed in District 56 Performance Reports</b>	<b>213</b>

Suspended clubs are shown, but not counted in the “2020-2021 Proposed Alignment” sections of the report. Should any of these clubs become Active prior to June 30, 2020, the report will be modified. Also, if any club’s status changes to Suspended, the report will be modified. Newly chartered clubs prior to June 30, will be added to a modified report.

The Committee reviewed criteria such as club membership, DCP goals met, relationship with other clubs for support, physical location or planned geographical relocation, and leadership support for the 2020-2021 alignment recommendations in this report.

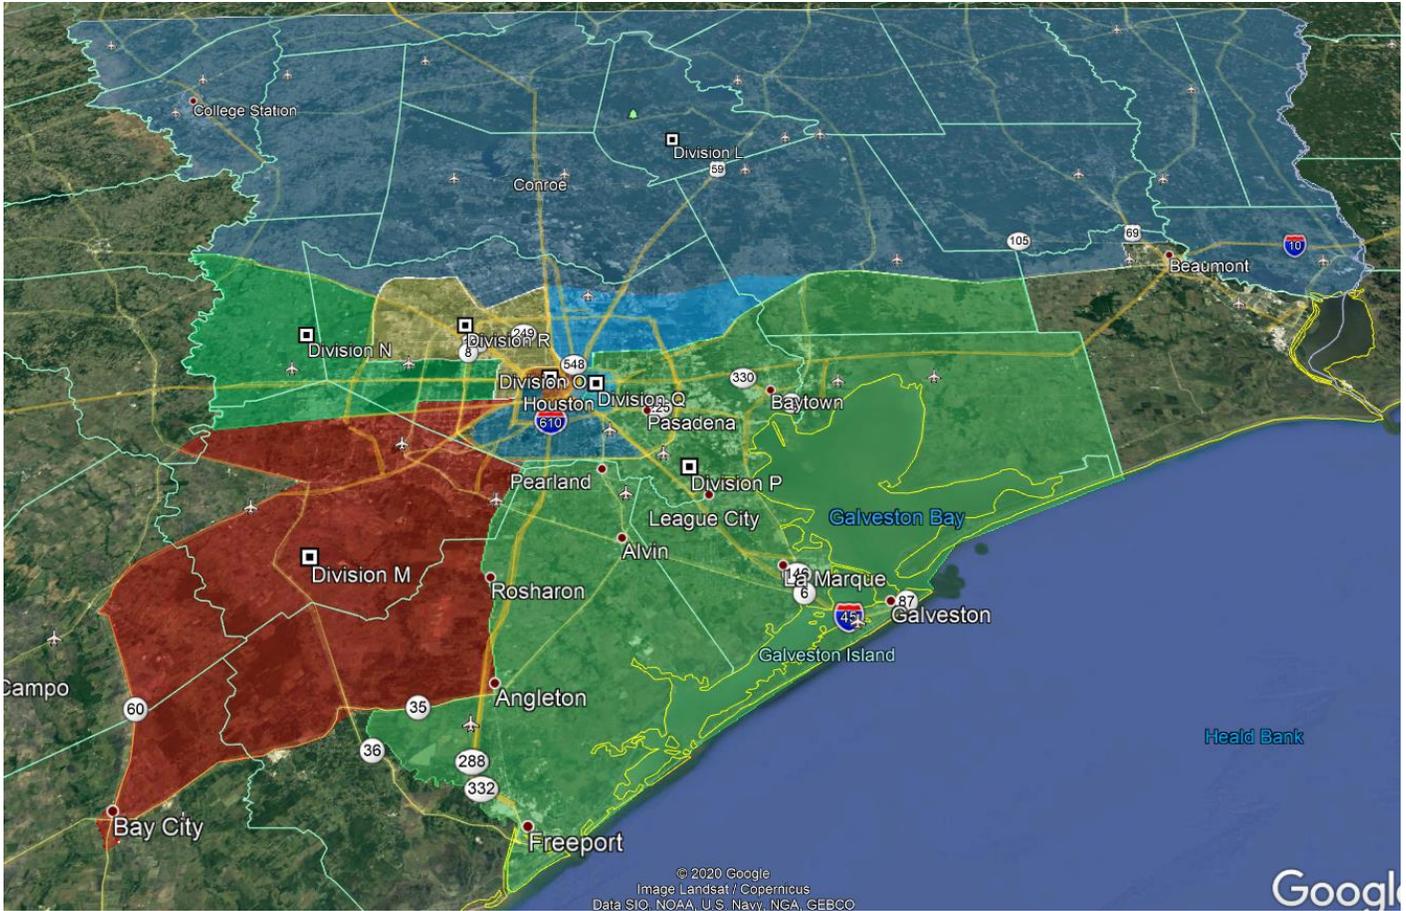

## Committee Recommendations Overview by Division

- Div L; Q53 north of 610 plus 1 club from L41 added to create new L45 area; Minor Area Boundary changes to balance area club count. Other minor area boundary changes to balance club strength
- Div M; M34 label reassigned to old M35 area; M31, M32, M33 realigned with new borders
- Div N; 7 Areas rebalanced with new borders to provide contiguous areas and balance club strength
- Div O; New O15 Area added; Area Boundary changes to balance area club count
- Div P; Area Boundary changes to balance area club count
- Div Q; Re-assign Area Q53 clubs to other divisions based on lack of geographic proximity to other clubs in Div Q
  - Assign Area Q53 north of 610 to a new Area (L45) due to geographic proximity
  - [3 Clubs (UPS Houston, Big Red Toastmasters & Baker Hughes Speakeasy Toastmasters) located in the old Q53 area move to L45]
  - Assign Area Q53 map area east of I-59 to Lockwood , N of I-45 & S of I-10 to O12
  - Assign Area Q53 area east of Lockwood to P2
  - Q55 renumbered to be Q53
- Div R; R65 area added back to balance club growth; R63 renamed back to R64 (All Trini Mendenhall clubs)

## Proposed District 56 Overview Showing 7 Divisions

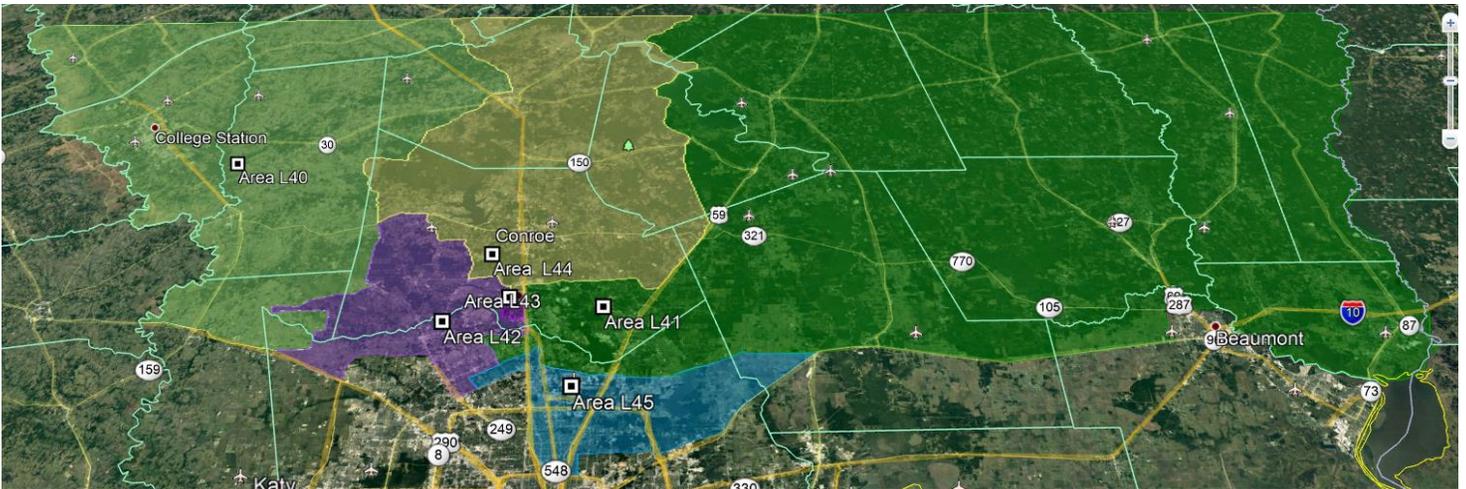

## Division L

The Committee recommends adding an area (L45). Area L45 has been created from area previously in Q53 and some area from L41. Areas in Division L have been modified to conform to Toastmasters 4 to 6 club criteria and to provide an equitable distribution of clubs within a contiguous area.
