

District 56 Presents

G.I.F.T.

Great Innovation for Toastmasters

Hall of Fame

2018-2019

Welcome one and all to the District 56 HALL OF FAME Celebration!

During the Hall of Fame portion of our Spring Conference, we spot light individual habits and distinguished club progress in our district. This year we have twelve amazing people who have been nominated by their club and chosen by the Trio for going above and beyond what is expected to support their clubs and District 56. We have many clubs that have planned well and are executing well and most impactfully, are following up on the plan well.

During the Hall of Fame, we will recognize each club officer role based on recommendations from members in their respective clubs. We will also reveal the winners of the Bert Mann, David Abel, Suzy Gormley, Communication and Leadership (known as the C&L Award) and the Toastmaster of the Year Awards.

Here is a brief breakdown of why these individuals have earned this recognition.

- The Bert Mann, Spirit of Success Award, is presented to a member who has exemplified unselfish leadership year after year.
- The David Abel, Standard of Excellence Award, is going to the person who in the Trio's opinion has exhibited extraordinary service and exemplary achievement in both personal performance and responsibilities.
- The Suzy Gormley Achievement Award, goes to a member who despite adversity, continues to regularly attend meetings, maintain leadership roles, and participate in Toastmaster activities.
- The Communication and Leadership (C&L) Award is given to an individual, not a Toastmaster traditionally, who is a leader in their community, by affecting others' lives through communication and courageous leadership.
- The coveted Toastmaster of the Year Award is given to that special person who embodies all four Toastmaster International Core Values, Integrity, Respect, Service and Excellence throughout the entire year.

The Presentation of awards will be hosted by Immediate Past District Director, Distinguished Toastmaster, R.W. (Bill) Sullivan, affectionately known as Uncle Bill, assisted by me. Please join us during the Hall of Fame to celebrate each of the outstanding leaders and clubs to see what intentional preparation and planning looks like. The event is a gift, good insight for Toastmasters.

We are what we repeatedly do. Excellence then is not an act but a habit. Aristotle

Sincerely,

Sheryle H. Warren , DTM
