

# HYBRID MEETINGS

*Objective* – Review the equipment and the do's and don'ts of a Hybrid meeting so you do NOT have to reinvent the wheel.

*Making your team more effective!*

# HYBRID MEETINGS

Want to start a conversation on your organizations needs.  
We will be asking for your input via Chat and Polling Questions.

- Turn your video on. No one likes to present to a blank screen.
- Ensure we have your correct name so we can put a name to a face.
- Mute yourself – just like in your Zoom meetings.

# Agenda

**Equipment - Good, Better, Best**

**Excellent Hybrid Meetings – The Do's & Don'ts**

We have tested a lot of options. There may be other options, but we are only discussing what we tested.

# HYBRID MEETINGS

## Equipment - Good, Better, & Best

*Audio* – What I Heard – Speaker & Microphone combos for ease of use & portability

*Visual* – What I Saw – Camera and Projection

# Basic Set-Up

Internet Connection

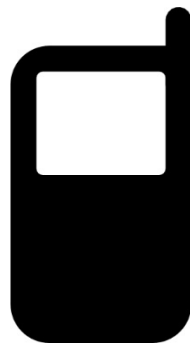

Laptops (built in microphone & camera)

Cellphones (built in microphone & camera)

Minimal to no investment.

You are already familiar with the equipment.

Like having a Zoom meeting with some people in the room. Speakers are tied to the computer, but there is more energy because some people are “present” in the room.

# Audio - Good

- [Dknight Magicbox II](#)
- \$29.99
- (no longer available via Amazon, great option is the OontZ Angle 3 (3rd Gen) for \$25.99)
- bluetooth brick, great for smaller crowd (6-8 people)

Inexpensive upgrade that works

- Best suited for smaller groups.
- Excellent bang for the buck and portable.

# Audio – Microphone Only

USB Microphone, TONOR Computer Condenser PC Gaming Mic with Tripod Stand & Pop Filter for Streaming, Podcasting, Vocal Recording, Compatible with Laptop Desktop Windows Computer, TC-777

**\$42.99**

Picks up sound where the microphone is facing.

Forces speakers to come to the front of the room.

Excellent when you don't want to hear the dog barking in the background.

# Audio - Better

## Jabra Speak 410

\$109.95 (plus 50' USB cable \$9.99)

one piece unit with plenty of boom

Excellent sound quality and easy to set up.

- Plug & Play connectivity.
- Optimized for four person huddle rooms. Start to lose people with bigger groups.

# Audio – Even Better

## Anker PowerConf S3

\$129.99,

Powerful one piece unit that Hillcrest Platte County is using for their board meetings

Excellent sound quality and easy to set up.

- Captures the 360 sound with ultra clear quality.
- Easily portable.

# Audio – Best

## [Luna by eMeet Direct](#) (x2)

\$179.98 (plus audio 20' cable extension \$9.99) *bluetooth*

2-piece unit that is daisy chained via audio cable, best sound capture

Two speakers tied together via 20' cable

- Captures the sound of a larger crowd.
- Handles the big room extremely well.

# Audio – Options
