THE GIFT OF TOASTMASTERS

Jo Idoux, DTM, District Director

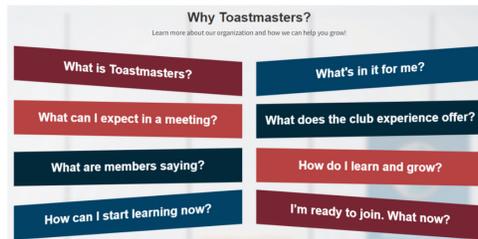

Think back to the first time you ever heard the word, Toastmasters. Did you know what Toastmasters was all about, or did you think it had something to do with breakfast?

In all likelihood, someone introduced you to Toastmasters. For me, a coworker asked if I would support her by attending a meeting. The next thing I knew, I was in a Toastmasters demo meeting. Yes, I am an accidental Toastmaster.

We all have different reasons why we joined Toastmasters. At first, Toastmasters is a gift you give yourself. We begin our Toastmasters journey honing our communication skills through practice, applying feedback, and striving for specific skill mastery. Active Toastmasters rapidly evolve into better versions of themselves by building self-confidence and self-awareness.

Your gift to yourself then becomes a gift to your club. Active Toastmasters grow and learn together. When you join a supportive and positive club in which you are empowered to develop communication and leadership skills, all members can enjoy unlimited personal growth.

The gift of Toastmasters should not stop with you or your club. Share your Toastmasters experience with family, friends, and coworkers. Challenge them to learn more about our organization and how we can help them grow with this "[Why Toastmasters?](#)" web page" Share the Toastmasters' gift that keeps on giving today!

SPRING SPEECH CONTESTS

Chandra R. Munagavalasa, DTM, Program Quality Director

First and foremost, I would like to thank all the club officers who have attended the Club Officer Training (COT). For your club to be a sustainable and quality club, it is important that all 7 of your club officers receive training. District 56 has conducted four 2-round COTs and the last COT was held on Feb 5, 2022. But if you are a club officer who did not attend the training and you are interested in taking the training now, please send an email to pqd@tmd56.org. If we receive 20 or more requests for the training, we will conduct a make-up COT.

By this time, most of the clubs either completed or are busy planning their club Spring Speech Contests - International Speech and Table Topics. Please note that all the Area, Division, and District Speech Contests will be conducted virtually. Visit our [District calendar](#) for the Area and Division Speech Contest schedule.

Due to the increase in COVID cases and for the safety of our District 56 members, this year's Spring Conference will be completely virtual. It will be a 2-day event (May 6 and May 7, 2022) loaded with Keynote Speeches, Educational Sessions, an Annual Business Meeting, Speech Contests, and many more. You don't want to miss this opportunity. The early bird pricing for this event is \$20 per person. Please stay tuned for more information about the Spring Conference.

I am looking forward to seeing you all at the Spring Conference.
