The work of the committee is critical in ensuring long-term district success.

The District Leadership Committee must

- Seek out prospective candidates
- Evaluate and interview candidates
- Nominate candidates
- Provide a complete report of candidates

For the District Leadership Committee report to be valid, the committee must

- Ensure that there is a minimum of one (1) candidate each for the offices of District Director and Program Quality Director;
- two (2) or more candidates for the office of Club Growth Director;
- and a minimum of one (1) candidate for all other elective District offices (Division Director).
- After interviewing the candidates that stepped forward for consideration, the committee members voted to present the following nominated candidates for the District Council vote at the 2023 District 56 annual business meeting.

As the Chair of 2022-2023 District Leadership Committee, I now present the committee report of nominated candidates for consideration at the May 2023 District 56 Annual Business Meeting.
