# 2021 Conference Welcome

**IT** is a great honor to extend a warm welcome to this Spring Conference on behalf of Toastmasters International and District 56 Toastmasters. Our Conference Planning Committee has devoted several months preparing a program that will be inspiring and interesting.

The Spring Conference, with its Speakers, Credentialing, Opening Ceremony, Business Meeting and Educational Sessions, is sure to be educational and rewarding. And we've all been waiting for the Humorous and International Speech Contests. Remember, all contestants are already winners.

The Spring Conference is a four-day event with Two (2) Keynote Speakers, Past Toastmasters International President's Lark Doley and Jana Barnhill. We will also have each of them presenting educational sessions along with International Director Mohamad Qayoom. We encourage you to spend time networking and reconnecting with Toastmaster members.

The Spring Conference kicks off Thursday Evening with two(2) exciting Educational Sessions "*TheWowFactor*" by Lark Doley, and one about "*Turning Your Potential to Profit*" by Jana Barnhill. Afterwards, the Candidates' Showcase presents upcoming District 56 Leaders for 2021-2022. Friday evening will include Credentials, Business Meeting, Elections, & Officer Installations of the 2021-2022 Officers. Saturday Morning will begin with a Keynote "*Golden Leadership Principles*" by Lark Doley another amazing Opening Ceremony "**Reach One, Teach One, Keep One**": Keynote by the 2021 Communication & Leadership Award Recipient, and what we all been waiting to see is our Humorous & International Speech Contests. Later, as you attend the education sessions presented by true world class leaders of District 56, keep in mind the presentations can serve as doorways to new worlds. Take advantage of this opportunity to meet Toastmasters from other clubs and learn from one another. Lastly, on Sunday our last day of the conference you will hear an exciting keynote "*That's the Leader I Want To Be*" from Jana Barnhill following a Leadership Panel of International & District Leaders discussing answers to questions you want to know.

This brings us to the theme of this Spring Conference, which is "**Reach One, Teach One, Keep One**". The program cover shows that our theme for the conference follows suit with District Director, Rose Williams Bradford's vision of **Reach One** person by being the difference in their Toastmaster journey. **Teach One** by answering questions, modeling Toastmaster values, and sharing your experiences. **Keep One** by staying focused on each member's goals.

It is in this spirit that we welcome you to the 2021 Spring Conference and hope your experience leads you to "**Reach One, Teach One, Keep One**".

A debt of gratitude goes out to our District 56 Leaders for your knowledge and guidance in all our Toastmaster endeavors.

Thank you also to all the registrants, committee chairs, and volunteers for ensuring a successful conference.

*Special Thanks to Our Spring Conference Committee!!*

# Greetings District 56

## ROSE W. BRADFORD, DTM

Change happens - nothing stays the same forever! Who knew we would experience a world-wide pandemic and adapt to being physically distanced yet socially connected? Throughout the next four days, I invite you to zoom along with me at our first virtual conference as we connect, communicate, and collaborate with friends (old and new).

I extend a heart-felt WELCOME to those of you attending your first conference. Please take advantage of all that is available and know that you are not alone, this platform is new to all of us. Our fantastic conference team created an agenda with you in mind. Join in on the “International” keynote presentations, educational sessions, panel discussions, speech contests and more. Did I say more? You do not want to miss the Business Meeting and the elections of the new leadership team for District 56 on Friday evening.

I mentioned above that nothing stays the same forever and that became evident when Helen Blanchard joined Toastmasters. Not only was she the first female, but she also became the first female International President. She once said, “If you get out of Toastmasters all there is to get out of Toastmasters, you will never get out of Toastmasters”. I didn’t always believe this, but I do now. It was the Power of One that changed my outlook. As a young Toastmaster, one of the more experienced Toastmasters took me and a few others “under her wing” and poured into us, teaching us the how, what, when and why of Toastmasters.

Today several of us remain in Toastmasters and have served as District leaders. This experienced Toastmaster, Carla Pope, is the inspiration behind my vision for our District – **Reach One, Teach One, Keep One**. She selflessly reached into my life and took the time to mentor (teach) me the basics of Toastmasters at the Club level and then encouraged me to give back by serving as a Club leader. As I served, I “found my voice” and became a more confident member, leader, person, and now your District Director. I am compelled to give back to this organization that has helped me become a better version of myself. Reaching into the lives of others and Teaching them what you’ve learned is the perfect formula to Keeping them involved. It worked for me – I’m committed for life.

Attending this conference is a great way to get involved. Get as much as you can from the sessions that will be offered as the presenters share life experiences and topics, they are passionate about. Keep the excitement alive by sharing your four-day experience with co-workers, club members, family, and friends. Join me in my quest to Reach, Teach and Keep Toastmasters active in our circle of influence. Invite them to your clubs. Remember, change happens and the Power of One is real.

It has been my pleasure serving as your leader even in the changing times we find ourselves in. I look forward to our in person gathering but until then, let’s enjoy the Conference!

# *Bienvenidos a todos al 2020 - 2021 conferencia!*

JO A. IDOUX, DTM  
PROGRAM QUALITY DIRECTOR

Let's connect and grow together in our journey towards communication and leadership excellence. This conference is a golden opportunity to inspire the best in ourselves and others. It is where we come together to compete, learn, network and socialize.

Be ready to be dazzled by two Past International Presidents, our Region 5 International Director, and an array of talented and inspiring speakers. We hope the event app enhances your Spring Conference experience.

Part of our Toastmaster's promise is to serve when called upon to do so. Stepping up, for me, has been a rewarding and very powerful learning experience. It took me out of my comfort zone and challenged me to step up, stand up and speak up. It drove home the saying, "walk a mile in someone else's shoes" as I now understand the rewards, challenges, and required commitment of those who served before me.

My biggest takeaway is how each segment of Toastmasters becomes a critical building block to the next level. That first step out of the safety net of my home club into an Area Director role opened up a whole new world. The realization that Toastmasters is bigger than your home club, bigger than your District, bigger than your region. Wow, it is truly International!

The more you serve in leadership, the more you develop your individual capabilities to effectively perform within the organization. You learn how to direct your individual accomplishments towards the greater good of the organization. The importance of building a team that instills trust, mitigates conflict, encourages communications and collaboration cannot be underestimated. Working together, everyone achieves more.

In Toastmasters, we have a saying that you are never alone. District 56 is blessed to have Past International Directors, Past District Directors & Governors and other past/current district leaders, who to this day, are engaged and willing to help mentor us.

They are the foundation to our success. Thank you leaders! My challenge to you is to step out of your comfort zone. Take the knowledge you will gain from this conference and apply it to tomorrow. "The greater the risk, the greater the reward". What better place to step up than Toastmasters International, where we empower individuals to become more effective communications and leaders! Together we can make a difference.

**Individually We Are One Drop.  
Together We Are An Ocean.**

# Welcome to the Spring Conference

CHANDRA MUNAGAVALASA, DTM  
CLUB GROWTH DIRECTOR

In these times of crisis and uncertainty, like no other in our lives, COVID impacted us all in many ways. This pandemic has caused so much change in so little time. It changed the way we connect with each other.

For those of you I have not had the privilege of meeting, my name is Chandra Munagavalasa, I am serving as your 2020-2021 Club Growth Director for District 56. Serving in this district role during this pandemic, and not knowing the road ahead, is a great challenge for me. District 56, like all other Toastmasters Districts around the world, slowed down significantly when the pandemic first hit. We never stopped. We proved that we are resilient and can ride through any storm. We are coming back, and we will be stronger by the time this pandemic ends. We chartered 7 new clubs so far and are likely to charter at least 2 more clubs by the end of this Toastmasters year.

Technology has been crucial in helping us stay connected. We have been using video and audio conferencing like never before. All kinds of communities, from schools to workplaces to gyms, are now accessible online. We can work, attend Toastmasters meetings and travel in the comfort of our home, with many museums and natural wonders now offering virtual tours.

There are several opportunities that are presented by this pandemic. We have adapted to online meetings and have improved our video and audio-conferencing skills. This is an essential skill given the fact that many members now are working from home. Most of us are looking to resume our in-person club meetings. We will eventually go back to in-person club meetings; some clubs may continue to be virtual, while others may offer hybrid meetings.

This year's District 56 Spring Conference will be virtual. This is going to be a unique and one-of-a-kind experience. This conference will be a 4-day event loaded with excellent educational sessions, keynotes from Past International Presidents, International and Humorous speech contests, a panel discussion with Past Toastmasters, World Champions of Public Speaking, fun activities, and many more. While some Districts chose to charge a fee for their conference, we wanted our District members to experience this fantastic event at no cost.

I look forward to seeing you all at the conference.

# Meet your Co-Chairs

## Carol Caraway

CO-CHAIR

Carol Caraway joined Toastmasters in 2007, at one of the leading clubs in the district – Memorial City Toastmasters. Five years later, she received the highest award in communication and leadership of ‘Distinguished Toastmaster (DTM)’. In 2013, she was awarded the–David Abel Award for Excellence. In 2014, as TLI Chair she set a goal to achieve a higher number of Officers Trained in the District than had previously been done. In 2014, she was awarded one of the District’s highest honors - District Governor Citation for Excellence. She continued to push herself to achieve more and to lead by example. In 2015 she ran for District Director where she had her biggest eye-opening moment. This is when she realized how much she depended on the members and

clubs and just how much they depended on her. Toastmasters has made her the leader she is today and shows the program if followed is “Where Leaders are Made.” Like most programs, the more you put in, the more you get back. Early on, She learned to say, “YES I CAN,” for everything and anything to do with Toastmasters. Every year that she has been in Toastmasters, she has enjoyed committing herself to the members of this district, as well as coaching clubs, mentoring members, and sponsoring new clubs. That’s involvement. That’s Toastmasters. That’s practicing - **YES, I CAN.**

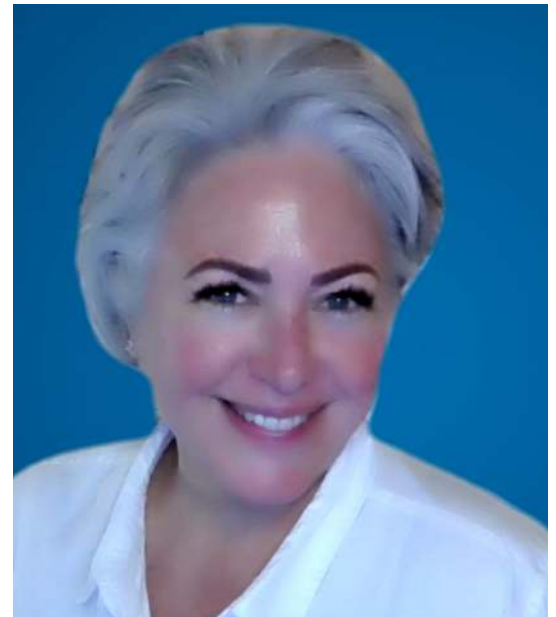

## Elizabeth Ruiz

CO-CHAIR

Within 24 hours, Elizabeth went from attending a Toastmasters Lunch and Learn to becoming a Sponsor and Charter President of a new club in 2019, Greenway Plaza Toastmasters. Within five months, the club went on to successfully add ten more new members, earn the Talk Up Toastmasters Award, and become President's Distinguished.

Elizabeth has served as Area Director, Co-Chair of many events, Club Coach, Club Sponsor, Club Mentor, and all Club Officer Roles. She is a member of six clubs, has completed seven Pathways and successfully attracted and sponsored 24 new members since last year.

Elizabeth was awarded the 2019-2020 President of the Year Award and the 2019-2020 Sponsor of the Year Award. She is currently working on her Distinguished Toastmaster award (DTM) and Level 1 of the Accredited Speaker program. Elizabeth joined to polish her public speaking skills but helping others to learn and grow is why she stays.
